## APPLICATION FOR PARTY STATUS

**HP24-001**

Mark E. Brown, petitions the Public Utilities Commission to be granted party status in this proceeding.  
(Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

       I reside within        miles of the proposed project.

Residential address if different from your mailing address:

39 Fairway Ln, Littleton, CO 80123

I own land within 0 miles of the proposed project.

Legal description: Lake County  
Sec/Twp/Rng W/2 Sec 5-T105N-R51W, 5th P.M.

       I officially represent a municipal, city, township, county or other affected governmental agency within        miles of the proposed project.

Explain your interest in applying for party status below.

I am an affected landowner and am concerned with the manner in which the applicant has handled this project.

In Lake County, instead of directing the pipeline away from populated areas, the applicant is proposing to run the pipeline directly toward and through the populated Lakes Area (comprised of Lake Madison and Brandt, Round and Long Lakes). They are planning to cross the Lakes Area through the wetlands between Brandt and Round Lakes. This puts the line in close proximity to a summer RV Park, the Lakes Golf Course & Housing Community, the new Smith Cove Housing Community and the SE side of Lake Madison with its many lake homes. This route will likely limit the natural development in that part of the Lakes Area, while decreasing the land values of the limited lakeshore properties near the route.

Please keep South Dakota land in the hands of South Dakota landowners. Please deny this application.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at [puc.sd.gov/EFilingOptions.aspx](http://puc.sd.gov/EFilingOptions.aspx)
