In the Matter of the Application by SCS Carbon Transport LLC for a Permit to Construct a Carbon Dioxide Transmission Pipeline)

APPLICATION FOR PARTY STATUS

HP24-001

Marilyn Hurley

petitions the Public Utilities Commission to be granted party status in this proceeding. (Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

X I reside within 500 ft miles of the proposed project.

Residential address if different from your mailing address:

X I own land within on miles of the proposed project.

Legal description: SE1/4 except tract 1 of Mitchell's Addition Section 23, Township 99 N, Range 49 W of 5th PM Lincoln Co

I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

I have email confirmation from Summit Carbon Solutions on 6-14-22 that "our tracts were offline" and "we would be notified if it moved". I found out that the pipeline is going through our property when I looked at the map on the PUC Application. I did not receive any documents from Summit Carbon Soltuions showing the route on my property and close to my home where I live. We have spent significant money to pattern tile the property that contains the route; the tile would all be cut.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
