When the proposed CO2 pipeline was brought to our attention, we (the elected Canton Township Board of Supervisors) attended meetings and performed research on the proposed project. We advertised, voted and implemented an Ordinance for the Regulation of Carbon Dioxide Pipelines that would be installed within the township. The ordinance was established to protect the electors of Canton Township and their properties. We trust that you will support our ordinance if the pipeline project is approved.

Brad Dietzenbach

Clerk, Canton Township

48349 279th St

Canton, SD 57104
