RE: Response to your March 10, 2025 Letter Referencing HP24-001

This is in response to your letter relaying concerns about SCS Carbon Transport LLC's application for a siting permit, commission docket HP24-001.

You relayed that you are having challenges accessing a map showing the company's proposed pipeline route. A detailed route map provided by the applicant may be found by clicking on the **Route Map** link near the top of the HP24-001 docket page.

You can access the docket online at PUC.sd.gov by clicking on Commission Actions, Commission Dockets, Hydrocarbon and Carbon Dioxide Pipeline Dockets, 2024 Hydrocarbon and Carbon Dioxide Pipeline Dockets, and scrolling down to HP24-001.

This company filed a siting permit request with the commission on Nov. 19, 2024, resulting in the opening of this docket. The enclosed **Pipeline Siting Information Guide**, posted in the docket and on the commission website home page, explains the commission's processing of this type of docket. Informal public comments such as yours are reviewed and considered by the PUC commissioners and staff and are posted under Comments and Responses in the publicly available docket.

You are encouraged to follow along as more information is received and posted in the docket by the parties involved.

Thank you for your interest in the work of the commission.
