Ms. Collins,

Thank you for your message regarding the South Dakota Public Utilities Commission's work.

SCS Carbon Transport LLC filed a siting permit request with the commission on Nov. 19, 2024, resulting in the opening of docket [HP24-001](#). This [Pipeline Siting Information Guide](#), posted on the PUC's website home page and in this docket, explains the commission's processing of this type of docket. Informal comments such as yours are reviewed and considered by the PUC commissioners and staff and are posted under Comments and Responses in the publicly available docket.

You are encouraged to follow along as more information is received and posted in this docket by the parties involved. The commission will hold public input meetings along the route and here is a link to the [Commission's Order](#) with this information, posted in the docket. You will want to attend one of these meetings to seek answers to your questions. Meanwhile, you may reach out directly to ask your questions of the applicant via contacts they provided in their filed [Application](#), pages 9-10 (22-23 in electronic posting), titled: "*1.6 Individuals Authorized to Receive Communications*," also available via the docket's [Service List](#).
