Public Utilities Commission  
Capital Building 1st Floor  
500 E. Capital Ave  
Pierre, SD 57501

Subject: Request to DENY Application: Docket  
HP24-001.

For the Record:

Please add my Request to DENY Application  
along with the other South Dakota Landowners  
Request to DENY Application.

Affected South Dakota Land with Dwelling/House.  
Legal Description: (Sec-Twp-Rng)  
Brown County, SW 6-128-65 (128=Palmyra Twp.)

Only family, friends, neighbors, are allowed on our  
land. NO Survey of any kind. No Weapon of Mass  
Destruction waste CO2 pipeline will be allowed.

Also of concern:  
That whole area (James River Basin near Redfield  
north through Pembina, North Dakota) is sacred  
area of the Yanktonai Dakota Sioux Tribe.

Applicant DID NOT adhere to and ignored:  
Per the South Dakota Public Utilities Commission  
Information Guide to Siting Pipelines.  
Applicant Responsibility.

- will not pose a threat of serious injury to the environment nor to the social or economic condition of inhabitants or expected inhabitants in the Siting area.

Dated: Wednesday April 9, 2025

State: South Dakota, U.S.A.

County: Pennington, S.D.
