Subject: RE: Iowa PUC and LTD

Mike,

Thank you for providing your comments. Because LTD is involved in an open docket, TC21-001, in front of the Commission, the law requires comments to commissioners made outside of a public meeting to be posted in the docket so the comments are available to all commissioners, all parties in the docket, and the public. The PUC has a hearing scheduled for this docket on December 1-2.

Sincerely,

Chris Nelson
