Re: #29610, Ehlebracht et al v.
Crowned Ridge Wind and PUC

Dear Mr. Swanson:

This acknowledges receipt of the original appellant's brief, in the above-mentioned appeal matter.

We are returning the briefs as unfiled as they do not conform to the Blue Book citation guidelines followed by this Court in that case and record citations should be in the body of the brief and not in the footnotes.

Also, pursuant to SDCL 15-26A-60(8), the appendix of appellant's brief shall include the order in question, along with any findings or memorandum decision. Your appendix does not include the order.

Lastly, along with the emailed version, please provide an original and two copies of appellant's brief

Replacement briefs with these corrections are due for service and filing on June 1, 2021. The time within which appellees' briefs shall be served and filed will commence to run from the date of service of your replacement brief.

Sincerely,

Laura J. Graves
