Dear Ms. Van Bockern:

On November 27, 2006, we received your correspondence, dated October 13, 2006, regarding Mr. Merle Flottmeyer.

DISH Network subscribes to a database that allows us to track all of our outbound phone calls. This database also contains National, State and individual company Do Not Call list information. After researching this database, we have determined that DISH Network has not placed a solicitation call to Mr. Flottmeyer's home.

We have researched our internal Do Not Call logs and enclosed a copy of our records pertaining to Mr. Flottmeyer's phone number.

Per Mr. Flottmeyer's request, we added his name to our DISH Network Do Not Call list. This will take effect no later than November 27, 2006 (thirty days from the date of submission). After this date, he will not receive any solicitation calls from DISH Network.

DISH Network does not share our company Do Not Call list with retailers, sales partners or any other affiliates. Therefore, it is possible that any of these parties may have placed the call in question on its own behalf, without DISH Network's knowledge or approval.

Please be aware that we share Mr. Flottmeyer's concern regarding these unwanted calls, and we understand what a nuisance they can be. DISH Network does not condone the practice of making solicitation phone calls to those who have indicated that they do not wish to receive them. As you can imagine, when these solicitors represent themselves as DISH Network, it has a negative impact on our public image, as well.

Our policy is to actively seek the identity of solicitors who violate the Telephone Consumer Protection Act (TCPA). If a DISH Network retailer is not in compliance with the TCPA, we will implement a process which includes written documentation and internal sanctions.
