INSTRUCTIONS

A. In answering these interrogatories, furnish all information in the possession of Defendant, its agents and employees, and attorneys.

- B. In answering each interrogatory, identify each document relied upon or which forms a basis for the answer given or which corroborates the answer given or the substance of what is given.
- C. If Defendant cannot answer the following interrogatories in full after exercising due diligence to secure the information to do so, state the answer to the extent possible, specifying your inability to answer the remainder and stating whatever information or knowledge Defendant has concerning the unanswered portion of any individual question.
- D. Each interrogatory is considered continuing and if Defendant obtains information which renders its answers or one of them, incomplete or inaccurate, Defendant is obligated to serve amended answers on the undersigned.
- E. A request to "cite" portions or provisions of any document is a request to state, insofar as applicable with reference to such portion or provision, the title, date, division, page, sheet, paragraph number, and such other information as may be necessary to accurately locate the portion or provision referenced.
- F. If any document requested herein was at one time in existence, but has been lost, discarded or destroyed, identify each document as completely as possible and state the type of document, the date or approximate date it was lost, discarded or destroyed; the circumstances and manner in which it was lost, discarded or destroyed; the reason or reasons for disposing of the document; the identity of persons having knowledge of its content; the identity of the person or persons involved in the loss, discard or destruction of the document; and the identity of the last known person to have seen the document.
- G. If there are no documents in your possession, custody or control which are responsive to a particular request, so state and identify such request.
- H. In answering these Interrogatories, you must make a diligent search of your records and of other papers and materials in your possession or available to you or your representatives. If an Interrogatory has sub-parts, answer each part separately and in full, and do not limit your answer to the Interrogatory as a whole. If any Interrogatory cannot be answered completely, you must answer to the extent possible, specifying the reason for the inability to answer the remainder of the Interrogatory and stating whatever information, knowledge, or belief you have concerning the unanswered portion.
- I. In construing this request the singular shall include the plural and the plural shall include the singular. A masculine, feminine or neutral pronoun shall not exclude the other genders.

INTERROGATORIES

INTERROGATORY NO. 1: At page 1, lines 6-7 of his Pre-Filed Direct Testimony, Mr. Dan Le states that he has held “a variety of positions” with AT&T Services, Inc. since joining in 1999 until appointed to his present position in 2020. Please state the title and work description for Mr. Le with AT&T Services, Inc. from 1999 until 2020.

INTERROGATORY NO. 2: At page 2, lines 35-37 of his Pre-Filed Direct Testimony, Mr. Le discusses Sections 251(c) and 251 (b) of the Telecommunications Act of 1996, and states that Venture “executed an ICA ... consistent with these obligations.” Please separately identify to which such obligations Mr. Le contends Venture is subject, pursuant to Section 251(c), as set forth in the referenced Interconnection Agreement (ICA).

INTERROGATORY NO. 3: For any such obligations identified in Interrogatory No. 2, please identify the page number in the ICA where such obligation or obligations were imposed.

INTERROGATORY NO. 4: At page 5, lines 86-89 of his Pre-Filed Direct Testimony, Mr. Le claims that the trunks between AT&T Mobility’s mobile telephone switching office and Venture’s switch are provided by SDN, and these are the actual facilities covered by the Access Service Requests (“ASRs”) referenced in Mr. Jandreau’s testimony. Please state whether AT&T Mobility has canceled the ASRs sent to Venture.

INTERROGATORY NO. 5: At page 8, lines 147-148 of his Pre-Filed Direct Testimony, Mr. Le alleges that “very little traffic” exists on the facilities at issue in this case. Please explain why AT&T Mobility did not reduce its trunk facilities when it discovered this information.

INTERROGATORY NO. 6: At page 8, lines 152-155 of his Pre-Filed Direct Testimony, Mr. Le states that AT&T Mobility “maintains these facilities in order to accommodate seven (7) digit local dialing by Venture’s end users.” Please identify the facilities to which Mr. Le refers.

INTERROGATORY NO. 7: At page 1, lines 9-10 of her Pre-filed Direct Testimony, Ms. Karen Brown states that TEOCO Corporation is “[o]ne of the firms with which AT&T Mobility contracts for these services...” Please state whether such services are used to assist “... in the review and validation of billing from carriers.”

INTERROGATORY NO. 8: Please state whether any part of TEOCO’s compensation for its review of Venture’s billings to AT&T Mobility is dependent, contingent, or connected in any way to AT&T Mobility’s recovery of disputed amounts identified by TEOCO.

INTERROGATORY NO. 9: If Interrogatory No. 8 is answered in the affirmative, describe in detail such compensation arrangements between TEOCO and AT&T Mobility.

REQUESTS FOR PRODUCTION OF DOCUMENTS

REQUEST NO. 1: Identify and produce any ASRs relevant to this dispute that have not been pre-filed with the Commission.

REQUEST NO. 2: At pages 1-2, lines 19-22 of her Pre-Filed Direct Testimony, Ms. Brown states that in late 2017 AT&T Mobility “added three new DS1 interconnection trunks between its MTSO and three Venture end offices located in Sisseton, Highmore, and Britton.” Identify and produce the traffic studies performed and cost inquiries made prior to placing each of the ASRs.

REQUEST NO. 3: Please produce any requests to Venture to cancel, revoke, or discontinue the ASRs.
