AT&T MOBILITY'S FIRST SET OF DISCOVERY REQUESTS**

COMES NOW, Venture Communications Cooperative ("Venture"), by and through its counsel of record, and responds to AT&T Mobility's ("AT&T") First Set of Discovery Requests:

INTERROGATORIES AND REQUESTS FOR PRODUCTION

INTERROGATORY 1. Please provide your language in tariff or in a contract between AT&T, Venture and/or SDN that describes the service you are providing as alleged in your complaint to AT&T that entitles Venture to compensation.

ANSWER: Section 3.1 of the Interconnection Agreement ("Agreement"); Section 5.0 of Appendix A to the Agreement; Venture's pricing catalog; and the relevant Access Service Requests ("ASRs") describe the service Venture provides to AT&T.

Copies of each were provided with the Pre-Filed Testimony of Mr. Fay Jandreau as Exhibits 2 (Agreement with Appendix A), 4 (Local Price Catalog), and 3 (Access Service Request), respectively.

As an example, at page one of Exhibit 3 of Mr. Jandreau's Pre-Filed Testimony, the ASR clearly states in the "Remarks" section, "Establish a new 2B, 2W, SS7, DF, wireless TG with 1 B8zS/ESF T1s and 24 SS7 trunks at DS0." These trunks are also referenced on page 4 of the ASR (not included in Exhibit 3 but attached hereto), in the TCIC field: "00001-00024."

INTERROGATORY 2. Is Venture compensated by SDN for services that SDN provides in support of AT&T's facilities.

ANSWER: Venture is not compensated by SDN for the transport or termination of the relevant trunk groups.

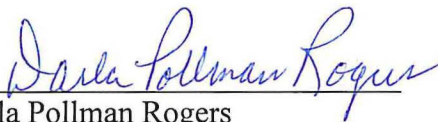

INTERROGATORY 3. If the answer to Interrogatory 2 is yes, please describe how that compensation is determined. If it is by contract or agreement, please provide any such contract or agreement.

ANSWER: N/A

INTERROGATORY 4. If the answer to Interrogatory 2 is yes, please describe and document all such compensation for the years 2017 through present date.

ANSWER: N/A

Respectfully submitted this 21st day of May, 2021.
