met with Don Sipe at the office of Mike Shultz of Black Hills Power & Light on 9-12-94. Don refused to sign letter stating he did not care who gave him power. Butte has been serving Don Sipe since he had service installed in 1987. Since Butte has been serving Mr Sipe and Black Hills Power Light agrees to the trade it appears we should be able to proceed. The other consumer involved in this trade, Bill McGrath has signed.
