Electric Short-Term Interruptible Energy Service Customer Reporting
Annual Compliance Filing for 2012

Dear Ms. Van Gerpen:

MidAmerican Energy Company ("MidAmerican") submits the annual compliance filing pursuant to Docket No. EL02-002 on Electric Short-Term Interruptible Energy Service (STIES) – Rider No. 12 due each year by November 30.

In this Order, the Commission approved the tariff revision to allow MidAmerican to offer STIES indefinitely rather than as a pilot program and to make annual compliance filings. MidAmerican is to make annual compliance filings on customers who voluntarily agree to interrupt their firm load during the year.

No customers participated in any short term interruptions during 2012.
