**SOUTH DAKOTA PUBLIC
UTILITIES COMMISSION**

*Public Utilities Commission
Pierre, S.D.*

At a recent meeting of District II Farmers Union the following Resolution was passed by the members and I was asked to pass it on to you.

RES. IV Whereas: There is need for more energy outside of South Dakota, and
Whereas: South Dakota has sufficient wind to be harnessed, and
Whereas: There is need to have transmission lines to move this energy, and
Whereas: The Big Stone II project may be in jeopardy;
Therefore: We of District II Farmers Union support that transmission lines and
the Big Stone II project go forward.
