**SECOND MOTION TO EXTEND
FINAL APPROVAL DEADLINE**

Northern States Power Company, a Minnesota corporation ("Xcel Energy" or the "Company") moves the Public Utilities Commission of the State of South Dakota ("Commission") to extend the deadline for the Commission's final approval of the project in this docket to November 30, 2008.

This motion is based upon the following considerations:

1. Xcel Energy filed this matter on January 31, 2008.
2. The Commission previously granted an extension of the six-month deadline imposed by SDCL § 49-41B-25 for the Commission's final decision until October 31, 2008.
3. Xcel Energy has finalized its design and communications with landowners, but needs additional time to finalize a proposed stipulation and related documentation.
4. Xcel Energy anticipates that it will submit final documentation to the Commission by the end of October 2008.
5. It would create unnecessary delay and additional expense to require Xcel Energy to refile this proceeding and commence the process anew.
6. For these reasons, Xcel Energy waives Commission compliance with the six-month deadline in SDCL § 49-41B-25 and respectfully requests that the Commission extend the time for resolution of the docket for a reasonable period of time to permit the finalization of pole locations for the route.

WHEREFORE, Xcel Energy prays that the Commission grant its motion to extend the deadline for the Commission's final decision as requested above.

Dated this 14th day of October, 2008.
