

1. 27. 2010

Public Utilities Corp.

I am a senior who is on
a fixed income and count on
my C. U. interest to live on
I and there is no way I can
pay that kind of increase on
P. U. & Light increase -
Its way to much - as
C. U. is at 1% -

So I do object to it -
Hope you will listen to
all us seniors
