SOUTH DAKOTA PUBLIC
UTILITIES COMMISSION

Public Utilities Commission,

At this time with people out of jobs,
Banks and credit card companies taking the
America People for a ride, we can't afford
a rate increase as the Black Hills Power + light
want. Please say NO UNTIL we are more
able to handle this increase. I For
one will not get a raise in my social security
this coming year unless congress changes their mind.

Please SAY NO

Shirley Nohava
