PROFESSIONAL EXPERIENCE

Michael J. McFadden is a rate, regulatory affairs, finance, strategic planning, and utility operations expert with 35 years experience in the electric utility and natural gas industries. He has appeared as an expert witness and provided testimony in numerous hearing before the Federal Energy Regulatory Commission (FERC), regulatory Commissions in Arkansas, Colorado, Georgia, Indiana, Kansas, New Jersey, Ohio, Texas, Wyoming, Utah, and British Columbia, and the United States District Court. He has also filed testimony in Montana and Ontario. Mr. McFadden headed a combination gas, electric, and steam heat utility

MICHAEL J. MCFADDEN ➤ page 2

company's rate regulatory services department where he was responsible for various submittals to regulatory agencies that had jurisdiction over the company's rates, facilities, and services. In addition, he previously served as chief financial officer for a natural transmission, gas gathering, and processing company where he was responsible for rate and regulatory affairs, financial and managerial accounting, financial policy and planning, business opportunity and financial analysis, strategic planning, and information and computer administration. On the electric side of the business, he has participated in numerous rate cases and regulatory proceedings and has been involved in such issues as the utilization of purchased power, economic dispatching of generating stations, coal inventory measurement and management, generating station performance measures, incentive cost recovery mechanisms for a nuclear generating plant, generating plant maintenance schedules and management, unit coal train economics and management, and the development and administration of electric cost adjustment mechanisms. On the gas side of the business he has dealt with such issues as Order 636 restructuring strategies, customer choice programs, development of gas transportation tariffs, practices and procedures, development and implementation of gas purchasing strategies, development of avoided costs, mains extensions policies, and producer take or pay issues. Mr. McFadden was also on the advisory board of Full Power Corporation, an electric marketing company serving the California markets. He previously served as the accounting area chair and the finance area chair for the University of Phoenix, Colorado Division. He is a past Chair and commissioner of the Colorado Commission on Low-Income Energy Assistance. Mr. McFadden is currently a member of the Board of Directors, Chairman of the Audit Committee, and Treasurer for Energy Outreach Colorado, a non-profit organization helping low-income energy users. He has a BS in business administration from Regis University and an MBA from the University of Denver.
