

Notice to Otter Tail Power Company Customers

Otter Tail Power Company has upgraded transmission facilities to help ensure continued reliable service to our South Dakota customers. The South Dakota Public Utilities Commission has approved a Transmission Cost Recovery Rider as a separate line item on your monthly electric bill beginning December 1, 2011 to recover the cost of these transmission upgrades and expansions.

**9.01 - Residential Electric Service –
Monthly Bill Example Winter¹**

Usage (kWh)	Present Rates	TCR	New Rates	Percent Increase
800	\$73.70	\$1.44	\$75.14	1.95%
