**Re: EL12-007 - In the Matter of the Request for Approval of an Electric Service Territory Boundary Agreement between Moreau Grand Electric Cooperative, Inc. and McLaughlin Municipal Electric**

Dear Ms. Van Gerpen:

This post-hearing filing is made to comply with the Commission's order issued March 15, 2012, in this docket. During consideration of this matter at the meeting held on March 13, 2012, it was discovered that a portion of the legal description included with the filing incorrectly referenced a territory description point as "3rd Avenue W" when the correct territory location was "2nd Street W." Specifically, this error was discovered in the tenth bullet of the legal description, which reads,

*"THENCE continue south 366 feet along the alley between 5<sup>th</sup> Avenue W and 4<sup>th</sup> Avenue W to the centerline of 3<sup>rd</sup> Avenue W,"*

In accordance with the Commission's order, an attached legal description has been included to substitute this bullet as follows,

*"THENCE continue south 366 feet along the alley between 5th Avenue W and 4th Avenue W to the centerline of 2<sup>nd</sup> Street W,"*

A copy of this letter and the updated legal description, have been provided to those listed on the attached certificate of service.

Sincerely,

Ryan Soye
