**Re: Grand Electric Cooperative, Inc. & Faith Municipal Electric – Verification of
Shared Electric Service Territory Boundary and Updated Mapping Data**

Dear Ms. Van Gerpen:

This filing is submitted in regards to the ongoing efforts of the PUC to verify electric service territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. With the assistance of the above-referenced utilities, Commission Staff has confirmed the electric service territory boundary shared by these utilities; included exceptions not identified previously on the original service territory maps, and prepared updated mapping information. Included as part of this filing please find:

- 1) A contract signed by the parties confirming service territory,
- 2) A legal description of the shared boundary, and
- 3) Updated territory maps.

Staff requests the Commission open a docket and approve this agreement with accompanying mapping data.

Sincerely,

Ryan Soye
