Re: EL12-020 - In the Matter of the Request for Approval of an Electric Service Territory Boundary Agreement between Grand Electric Cooperative, Inc. and Faith Municipal Electric

Dear Ms. Van Gerpen:

Please find an updated territory agreement for filing in the above-referenced docket. This updated agreement was made in order to include certain information inadvertently excluded from the original filing submitted on February 29, 2012. Specifically, *Tract 6, Plat of Tracts 1-6 of the Baxter Addition, of Meade County*, referenced in the legal description, was not identified on the Exhibit B maps. Staff has updated the mapping information and has also made minor changes to the legal description for clarity purposes. No changes made in this new agreement will affect the previously agreed upon territory division.

This updated agreement should substitute that agreement already filed in this docket. Staff asks for approval of this updated agreement as controlling authority of the territory division for the utilities mentioned above.

Sincerely,

/s/ Ryan Soye
