

**RECEIVED**  
MAR 12 2012  
SOUTH DAKOTA PUBLIC  
UTILITIES COMMISSION

**BEFORE THE PUBLIC UTILITIES COMMISSION  
OF THE STATE OF SOUTH DAKOTA**

This **AGREEMENT**, is made and entered into by Cherry-Todd Electric Cooperative, Inc., of PO Box 169, Mission, SD 57555, hereinafter referred to as **Cherry-Todd**, and LaCreek Electric Association, Inc., of PO Box 220, Martin, SD, 57551, hereinafter referred to as **LaCreek**; jointly referred to as the Parties.

The Parties hereto agree to be bound by all terms, conditions, promises, and obligations herein contained, which include the following:

1. The Parties to this Agreement are electric utilities as defined by South Dakota statute and are actively engaged in furnishing electric services within the state.

2. Pursuant to state law, the South Dakota Public Utilities Commission (SD PUC) has established the assigned service territories of each electric utility operating within the state. The SD PUC prepared, or caused to be prepared, maps showing the boundaries of the assigned service territories for each electric utility.

3. The purpose of this Agreement is to verify and update all existing service territory mapping data for use in a Geographic Information System (GIS). Throughout this process, all mapping data, including initial territorial agreements, maps, and all territory change agreements, have been compiled and reviewed for accuracy. A legal description was formulated by the SD PUC staff and sent to the Parties for review and verification.

4. The mapping data contained in the attached legal description (Exhibit A) and the corresponding maps (Exhibit B) accurately represent the service territories currently served by the Parties.

5. During the review process, a discrepancy was found between the mapping data and the service territory actually served by the Parties. The Parties agree to exchange this territory so that mapping records accurately reflect territory served. Specifically, the Parties agree the shared service territory boundary beginning in the Northeast corner of Section 4, Township 40 North, Range 31 West, of Mellette County, and continuing south, should be moved one (1) mile east of its current position and Exhibit B shall reflect this change in territory, in the description shall read:

- THENCE continue east along section lines to the NE corner of Section 3, T40N, R31W,
- THENCE continue south along section lines to the SE corner of Section 34, T40N, R31W,
- THENCE continue west to the NE corner of Section 4, T39N, R31W,

6. Under this Agreement, any changes made to mapping data are to be deemed intentional and a result of the review and exchange of information between the SD PUC staff and the Parties hereto. Any changes in mapping data should be considered a request by the Parties on the SD PUC, for approval of change in service territory according to state law. If approved by the SD PUC, the revised mapping data shall hereafter constitute the controlling service territory designations of the Parties; and as evidence of such territorial designations, the Parties and the SD PUC shall maintain the territorial mapping data and this Agreement.

7. Unless agreed to by the Parties and approved by the SD PUC, no changes or updates of mapping data under this Agreement shall change the service provider for any South Dakota consumer. Further, the Parties agree to the continued existence and validity of all service territory exceptions previously established according to state law.

8. This Agreement shall be binding upon the Parties and their successors, assigns, agents and representatives.

9. Approval of this Agreement by the SD PUC shall not in any way constitute a determination by the SD PUC as to the merits of any allegations or contentions that may arise as a result of this Agreement and shall not foreclose the SD PUC from the review of any allegations or contentions that may arise hereafter.

10. This Agreement shall not foreclose the ability of the Parties hereto, to modify the service territory as established in this Agreement through the processes provided under the laws of the State of South Dakota.
