

Steven V. Huso

I graduated from St. Olaf College in 1976 with a Bachelor of Arts degree in Mathematics and Economics. In 1979, I graduated from the University of St. Thomas with a Master of Business Administration degree.

I am a Pricing Consultant for Xcel Energy. I have been employed by Xcel Energy or its predecessor Northern States Power Company since 1979, when I began as a pricing analyst. I was Administrator-Rate Research from 1992 until 2000, except from 1993 to 1995 when I was Administrator-Pricing for Northern States Power Company-Wisconsin.

My job responsibilities include rate design, revenue determinations and cost allocations that support pricing functions for the utility operating subsidiaries of Xcel Energy. I have prepared several papers and a published book chapter on electric utility pricing issues.

I have sponsored rate design testimony in proceedings before state regulatory commissions in Minnesota, North Dakota, South Dakota, Wisconsin, and Colorado.
