

In September 2013, Black Hills Power, Inc. made a quarterly compliance filing with the South Dakota Public Utilities Commission (PUC) for a change to the Phase In Plan Rate. This rate change affects all South Dakota Retail Customers. The rate calculation for the Small General Service, Large General Service and Industrial customers has been revised to a per kW rate from a per kWh rate. The Residential and Lighting customers are calculated on a per kWh basis. This rate is effective Nov 1, 2013 – Jan 31, 2014.

The application is available in this office for inspection. Please inquire at the customer service desk.
