### Dear County Agent Guy by Jerry Nelson

This week marks the 25th anniversary of the case that led to my appointment as county agent.

It was a pretty hot Sunday and I was looking through the mail. I found a letter from the county agent, Guy. I was really surprised to see it. I had never heard of him before. I knew how to get to the county agent's office, but I had never heard of him before.

I grabbed a speed bag and started to run. I was really surprised to see it. I had never heard of him before. I knew how to get to the county agent's office, but I had never heard of him before.
