Day County Commissioners
711 W. 1st Street
Webster, SD 57274

Dear Day County Commissioners:

On behalf of the residents of Highland Township, the township supervisors would like to express their opposition to the planned transmission line for the Big Stone South to Ellendale. The primary reasons that we are opposed are as follows:

- **Devaluation of property**
- **Safety concerns**
- **Limitation of future farming practices (irrigation, tiling, auto-steer capabilities, etc.)**
- **One-time limited easement payment**

Respectfully,

Wayne Schlatter

Wayne Anderson
