

BLACK HILLS POWER, INC.

SD PUC DOCKET: EL14-038

REQUEST DATE : August 8, 2014

RESPONSE DATE : August 14, 2014

REQUESTING PARTY: SDPUC Staff

SDPUC Request No. 1-12:

Please explain how the costs of the whole house efficiency program are split between Black Hills Power and Montana Dakota Utilities. For example, is each utility's budget determined based on potential energy savings to be gained for that utility?

Response to SDPUC Request No. 1-12:

The costs associated with providing the home energy audit will be split 50/50 between Black Hills Power and Montana Dakota Utilities for homes receiving service from the two companies. Black Hills Power and Montana Dakota Utilities will track the energy savings separately in accordance with their program.
