Information Request No: SD-PUC-01-06

1-6) Please provide the lifetime kWh savings of each measure.

**RESPONSE:**

Otter Tail has included a listing of all programs, the corresponding measure life, lifetime aggregate savings, aggregate annual savings, and annual savings in Attachment 1 to IR SD-PUC-01-06. This attachment shows kWh savings since EEP inception in 2008. The third column of this attachment shows that so far South Dakota customers have saved a total of 48,160,031 kWh through 2013.
