RE: DOCKET NO. EL14-072

Dear Ms. Van Gerpen:

On June 3, 2015, MidAmerican Energy Company ("MidAmerican") filed a Joint Motion for Approval of Settlement Stipulation in Docket No. EL14-072. MidAmerican's proposed new tariffs were included with the Settlement Stipulation as Exhibit 1. MidAmerican has since realized that certain rate-related tariff language was inadvertently included or omitted and is corrected as follows with this filing:

- Rate GET, Section 3, Sheet No. 56 – the reactive demand charge was removed as it is not applicable to Rate GET.
- Rate GET, Section 3, Sheet No. 57 – the billing demand and reactive demand language was removed as neither are applicable to Rate GET.
- Rate GDT, Section 3, Sheet No. 59 – the transformer ownership credit amount was added. Approved language describing the credit on Sheet No. 60 reads, "...the Customer will receive a credit, listed above..."

Sincerely,

/s/ Suzan M. Stewart
