RE: EL07-025 Joint Request to modify Service Territory between Watertown Municipal Utilities Department and Codington Clark Electric Cooperative

Dear Ms. Van Gerpen:

Codington Clark Electric Cooperative and the City of Watertown are parties to the above referenced agreement to modify service territory, in effect since December 3, 1993, and most recently approved and extended by the Commission in the above referenced docket.

In accordance with that agreement, and as a result of a recent annexation to the City of Watertown, we are providing the following service territory boundary change between Codington Clark and Watertown:

The North 990 feet of the South 2035.4 feet of the East 253 feet, including Highway Right of Way, all in the SE ¼ of Section 36, T117N, R54W, 5th P.M., Codington County, South Dakota. This shall be known as Williston Addition to the Municipality of Watertown.

Attached is the resolution for annexation of the area and a plat showing the Williston Addition to identify the new boundary to be added.

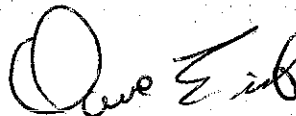

We would jointly request that this parcel be included as part of the Municipal Utilities territory and the PUC territorial map be adjusted to reflect this boundary change.

This information is being provided so that you may update your territory map. If you should have any questions or require anything further in this regard, please let us know.

Sincerely,

Steve Lehner
