Re: MidAmerican Energy Company
FERC Docket No. ER14-_____
Notice of Termination of Generator Interconnection Agreement

Dear Secretary Bose:

Pursuant to Section 205 of the Federal Power Act ("FPA"), 16 U.S.C. § 824d, and Part 35 of the Federal Energy Regulatory Commission's ("FERC" or "Commission") regulations, 18 C.F.R. § 35.15, MidAmerican Energy Company ("MidAmerican" or "Transmission Provider") hereby tenders for filing a Notice of Termination of the Large Generator Interconnection Agreement ("LGIA") between MidAmerican and Fowler Wind Energy, LLC ("Interconnection Customer").

I. BACKGROUND

On August 22, 2011, in Docket No. ER09-823-000, MidAmerican submitted to the Commission a Settlement Agreement and the LGIA, then between MidAmerican and Clipper Windpower Development Company, LLC. On February 13, 2012, MidAmerican submitted revisions to the Settlement Agreement, which were accepted for filing by the Commission by letter order issued April 19, 2012 in Docket No. ER12-1827-000, with an effective date of January 19, 2012. The LGIA has been designated as Original Service Agreement No. 333. Effective September 30, 2013, the LGIA was assigned to the Interconnection Customer pursuant to Section V of the Settlement Agreement referencing Section 19 of the LGIA. The LGIA was terminated pursuant to Section 17.1.2

II. NOTICE OF TERMINATION

Pursuant to Section 2.3 of the LGIA, the parties wish to terminate the LGIA. The intention of the parties to terminate the LGIA is memorialized in the attached consent to termination.

There is no expectation of additional costs being incurred. Terminating this LGIA is appropriate, as the Interconnection Customer no longer wishes to pursue this project. Pursuant to Article 2.3.3 of the LGIA, the Parties respectfully request that the Commission accept the Notice of Termination and terminate the LGIA, effective on the date requested below.

III. EFFECTIVE DATE

Consistent with Section 35.15 of the Commission's regulations, MISO seeks an effective date of April 29, 2014 for the termination.

IV. DOCUMENTS SUBMITTED IN THIS FILING

The documents being submitted with this filing include this transmittal letter and

- Consent to Termination

V. COMMUNICATIONS

MidAmerican Energy has provided a copy of this filing to the Iowa Utilities Board, the Illinois Commerce Commission, South Dakota Public Utilities Commission, and the Office of Consumer Advocate. All communications regarding this filing should be directed to:

**CONSENT TO TERMINATION OF
LARGE GENERATOR INTERCONNECTION AGREEMENT
BETWEEN
FOWLER WIND ENERGY, LLC AND MIDAMERICAN ENERGY COMPANY**

This Consent to Termination (“**Consent**”) is given by Fowler Wind Energy, LLC (“**Interconnection Customer**”) and MidAmerican Energy Company (“**Transmission Owner**”) (collectively, the “**Parties**”) in connection with a Large Generator Interconnection Agreement dated as of August 19, 2011 (the “**LGIA**”), by and between Interconnection Customer and Transmission Owner.

RECITALS

WHEREAS, Interconnection Customer is an assignee of the LGIA accepted for filing by the Commission in Docket No. ER12-1070 and designated as MidAmerican Service Agreement No. 333 under Transmission Owner’s FERC Electric Tariff Second Revised Volume No. 8 (“**Tariff**”) and intended to build, own, and operate a 50 MW generating facility in Carroll County, Iowa (the “**Project**”);

WHEREAS, the Project was originally identified as Project No. R25 in the Transmission Owner’s interconnection queue prior to the time when it integrated with the Midwest Independent Transmission System Operator, Inc., now known as the Midcontinent Independent System Operator, Inc.; and

WHEREAS, predecessor of Interconnection Customer, Clipper Windpower Development Company, LLC, and Transmission Owner originally executed the LGIA on August 19, 2011; and

WHEREAS, Interconnection Customer no longer wishes to pursue the Project and Interconnection Customer and Transmission Owner agree that the LGIA should be terminated and that a Notice of Termination will be filed at the Federal Energy Regulatory Commission (“**FERC**”); and

WHEREAS, pursuant to Article 17.1.2 of the LGIA, the LGIA may be terminated by Transmission Owner after giving written notice to the Interconnection Customer; and

WHEREAS, pursuant to Article 2.3.3 of the LGIA, no termination shall become effective until the Parties have complied with all Applicable Laws and Regulations applicable to such termination, as defined in the LGIA, including the filing with FERC of a notice of termination of the LGIA, if required, which notice has been accepted for filing by FERC.

NOW, THEREFORE, each of the undersigned, as a duly authorized representative of the respective Parties, hereby certifies and agrees as follows:

1. Interconnection Customer acknowledges and consents to the termination of the LGIA by mutual agreement as contemplated by the LGIA.
2. Interconnection Customer agrees to terminate the LGIA and waives the termination notice provisions as set forth in the applicable notice provisions of the LGIA.
