Evan,

Finally got in touch with Jim again, let me know if this will suffice for our needs.

Thanks,

Jason Ayer

Jason,

Here are the three approach permits that are signed off with the DOT's approval. The pictures enclosed were taken after an early snow storm so some rutting in the radius's of the approaches, which would be your concern for maintenance. Also, the day I was there, the traffic control signs were being removed.

Thank you and your organization for the professional way of doing business.

Thank you

Jim Dorfschmidt
