Dear Fagen Inc,

The Town of Newell does not require a Certificate of Occupancy. Upon completion of a building, a final drawing of the site would complete the building permit, if changes were made (addition of a fallout shelter) for example. It is up to your plumber or electrician to supply any additional information you would need to close out there permits. The City of Newell was present from the curb stop to the water main on water and from property line to the sewer main.

Any questions please call Larry with Public Works at 605-210-1911 or Finance Office at 605-456-2737 for any billing questions.

Thank you!
