"I certify under penalty of law that all stormwater discharges associated with industrial activity from the identified facility that are authorized by a SWD general permit have been eliminated or that I am no longer the operator of the facility or construction site. I understand that by submitting the Notice of Termination, I am no longer authorized to discharge stormwater associated with industrial activity under this general permit, and that discharging pollutants in stormwater associated with industrial activity to waters of the State of South Dakota is unlawful under the Clean Water Act where the discharge is not authorized by a SWD permit. I also understand that the submittal of this Notice of Termination does not release an operator from liability for any violations of this permit or the Clean Water Act."

NOTE: Notice of Intent/Termination must be signed by the authorized chief elective, an executive officer or a corporate responsible official of the applicant, or by the applicant, if an individual.
