Dear Ms. Van Gerpen:

The accompanying electric tariff sheet issued by MidAmerican Energy Company ("MidAmerican") is transmitted to you for filing.

MidAmerican Energy Company
South Dakota Electric Tariff Schedule No. 2
Section No. 3

1st Revised Sheet No. 78

Canceling Original Sheet No. 78

Effective: December 23, 2015

Enclosed herein for filing is a revised tariff sheet to update Clause ECA – Energy Cost Adjustment. Pursuant to this tariff, MidAmerican is required to perform quarterly reviews. As stated in the tariff, when the projected cumulative account balance (X) divided by projected jurisdictional sales (J) equals or exceeds ± \$0.001, a revised ECA factor will be determined and filed for implementation with the next month's billing cycle. Also in the tariff, projected jurisdictional sales are defined as being **through the remainder of the calendar year**. The revised tariff sheet reflects MidAmerican’s proposal to revise the definition of projected jurisdictional sales as being **for the months remaining until the next annual factor calculation**. This change will ensure that the time period used for the sales in the denominator of the adjustment factor calculation will be consistent with the time period over which the adjustment factor will be applied.

Any questions pertaining to this tariff filing may be directed to Diane Noll at (563) 333-8323.

Sincerely,

/s/
