

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

In the Matter of the Application by Wind
Quarry Operations, LLC, For a Wind Energy
Facility Permit For the Willow Creek Wind
Energy Facility and Associated Facilities

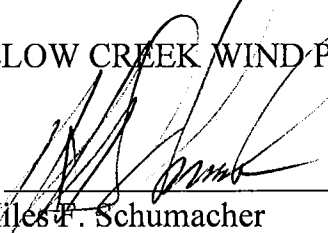

EL15-020

**MOTION FOR RELEASE
OF ROAD BOND**

COMES NOW Willow Creek Wind Power, LLC, as successor permit holder in the above docket, and moves the Commission for an Order releasing the road bond which was required to be filed pursuant to Permit Condition 9.h. in order to begin construction. The compliance filing of November 30, 2020 demonstrates that the entirety of work for which the road bond was required has been completed and permit holder states upon information and belief that no outstanding issues remain. The applicable road authorities have approved the restoration work and the bond can now be completely and fully released according to the permit holder's most up to date information.
