

## Exhibit B

May 18, 2015

To whom it may concern,

I am writing this letter to confirm that I am aware of the discussions between Sioux Valley Southwestern Electric Cooperative, Inc. (SVE) and Xcel Energy that would allow for SVE to take over as my electric provider for my house and farm located at 

 I am in agreement with this change. The following conditions are understood by me as requirements of this agreement:

- SVE will provide me 3-phase electric service by September 1, 2015 for all of my grain bin equipment.
- SVE will provide me a separate 1-phase service for my house and shop by September 1, 2015; or alternatively, I may elect to install a stepdown transformer by September 1, 2015 for the purposes of providing 1- phase service (to my house and shop) from the 3 – phase electric service that will be installed by SVE.
- Xcel Energy will remove its facilities in their entirety and will no longer provide me any electric service at my property.

Sincerely,
