Docket No.: EL16-018

Response To: South Dakota Public Utilities Commission Data Request No. 2-1

Requestor: Darren Kearney

Date Received: November 2, 2016

---

Question:

Referring to Attachment A of Xcel's response to Staff DR 1-9, please explain why the cost recovery amounts (and sales) for January, February, and March of 2016 are different than the amounts reported in Attachment C of the original filing.

Response:

The amounts reported in Attachment C of the original filing included only forecasted volumes for calendar month sales.

In comparison, Attachment A of our response to Staff DR 1-9, includes the actual calendar month sales volume forecast (\$/MWh) accrued within our billing system from January through August.
