

Program	Rebate Amount	Change from Prior Year
<b>Residential</b>		
Air Conditioning Control	N/A	N/A
Air Source Heat Pumps	\$250/ton.	Proposed to change; increase from \$160/ton
Geothermal Heat Pumps	\$500/ton.	Proposed to change; increase from \$350/ton
Lighting	0.20¢/watt saved; up to 75% project costs; \$20 minimum.	Remains the same
<b>Commercial</b>		
Air Source Heat Pumps	\$250/ton.	Proposed to change; increase from \$160/ton
Custom Efficiency Projects	Incentives are calculated based on energy saved and demand reduced; up to 75% project costs.	Remains the same
Drive Power:		
SD HVAC or Seasonal Fan or Pump	\$45/HP; up to 75% project costs.	Remains the same
SD Process or Year-round Fan or Pump	\$95/HP; up to 75% project costs.	Remains the same
SD Totally-Enclosed Motor	Rebates based on whether new, replacement, or retrofit and size of motor; ranges from \$30/motor to \$9,000/motor up to 75% project costs.	Remains the same
SD Open Drip-Poof Motor	Rebates based on whether new, replacement, or retrofit and size of motor; ranges from \$9/HP to \$60/HP; up to 75% project costs.	Remains the same
SD Explosion-Proof Motor	Rebates based on whether new, replacement, or retrofit and size of motor; ranges from \$40/motor to \$4,200/motor; up to 75% project costs.	Remains the same
Geothermal Heat Pumps	\$500/ton.	Proposed to change; increase from \$350/ton
Lighting:		
SD CFL Lamp Lighting Retro	10¢/watt; up to 75% project costs.	Remains the same
SD Exit Fixture Lighting Retro	40¢/watt; up to 75% project costs.	Remains the same
SD Hi Bay Fixture Lighting Retro	40¢/watt; up to 75% project costs.	Remains the same
SD High-efficiency Fluorescent Lamp, Ballast and Reflector Lighting Retro	40¢/watt; up to 75% project costs.	Remains the same
SD Motion Sensor Lighting Retro	\$200/connected kW; up to 75% project costs.	Remains the same
SD LED Hard Wired Lighting Retro Outdoor	30¢/watt; up to 75% project costs.	Proposed to change; decrease from 40¢/watt
SD LED Hard Wired Lighting Retro Indoor	40¢/watt; up to 75% project costs.	Remains the same
SD LED Screw In Lightng Retro Outdoor	10¢/watt; up to 75% project costs.	Proposed to change; decrease from 30¢/watt
SD LED Screw In Lighting Retro Indoor	20¢/watt; up to 75% project costs.	Remains the same
