Subject: Re: EL16-022

Our name and address as follows:

Herbert G and Nance A Teal

[REDACTED]

Rapid City SD 57701

Our message is as follows:

Docket Number EL16-022

We feel strongly about the positive effect that wind energy will have on climate change by reducing the carbon footprint that fossil fuels are leaving behind.

Therefore, we are writing to express our support of renewable energy development in South Dakota and to say we are in support of the Prevailing Winds project near Avon.

Please let me know if you need anything further,

Thank You

Nance Teal
