Northwestern Energy
600 Market St. W
Huron, SD

Attn: Steven Arbach

This letter to serve as my official request to be released from the electrical power service territory of Northwestern Energy. Our release from the Northwestern Energy territory will enable us to receive our electric power service from HD Electric Cooperative, Inc. This request is due to the cost associated with Northwestern Energy providing service to our site located at 18907 436th Ave., Willow Lake, SD 57278 not being feasible. Service from the HD Electric Cooperative power grid is within a few hundred feet of our site.

Kind Regards,
