

Thank you for letting us speak
My name is Dave Finstad from
Northern Clark Co.

Community / Common good
example - threshing, silage cutting in years gone by
Basin Electric Lines Crossing our land -
No profit but for the common good -
Positive feelings toward Heronimo -
Offered to possibly put a tower on our land
unless 3/4 mile setback is held -
Still feel positive impact for Heronimo's
Project, our County, community & state -
