RE: Astoria Station Road Haul Agreement

To Whom It May Concern:

Our political subdivision and Otter Tail were party to a road haul agreement dated February 11, 2019.

Upon completion of the Astoria Station project, the agreement required Otter Tail to return roads and rights-of-way to their pre-construction condition. We have reviewed the post-construction/post-restoration condition of the roads and find that Otter Tail has fully complied with the agreement.

Thank you for your attention to this matter.

Sincerely,

Scandinavia Township Officer
