

Crocker Wind Farm – Public Input Hearing

South Dakota Public Utility Commission

February 5th, 2018

Name: Beckie Caulfield

Address:  Bradley S.D 57217

Primary Reasons for Support: I think it would be a great economic benefit for our community. I also am a strong believer in property rights. Over the years we have had a lot of our rights taken away and I feel its time to STOP, so I'm asking for your approval of the Crocker Wind Farm permit.
