

Crocker Wind Farm – Public Input Hearing

South Dakota Public Utility Commission

February 5th, 2018

Name: Kyle Gajkowski

Address: [REDACTED] Clark SD 57225

Primary Reasons for Support: _____

Wind energy is a clean energy.

There is a very large amount of money that will come to our county, city, townships and school. The benefits of this wind energy system greatly outweigh ~~the~~ any negative concerns.

If our county does not take this opportunity it will not go away. ~~that~~ ~~that~~ The Benefits will just be lost to another county nearby.
