SOUTH DAKOTA PUBLIC UTILITIES COMMISSION

Dear Madam Chairperson and South Dakota Public Utility Commissioners;

RE: EL17-055 CROCKER WIND FARM APPLICATION

I am writing you as a community member to share my support of the Crocker Wind Farm, a Geronimo Energy Wind Farm development located in Clark County, South Dakota.

- I support Crocker Wind Farm because it will provide economic benefits to the local economy, tax base, schools, local residents and county and towns.
- I support Crocker Wind Farm because it will provide numerous benefits for the local and broader environment, including water consumption savings and carbon dioxide emissions reductions.
- I support Crocker Wind Farm because its developer, Geronimo Energy, is a responsible and thorough developer.

My other comment: Growing up in the Crocker Hills, I know what

this land has to offer. I know that the wind farm will utilize &

give our land the chance to reach its fullest potential. The longterm
benefits are something we shouldn't pass up. Our county & state depend on it.
