**Subject:** [EXT] last night

Darren, nice meeting you last night always good to put a face with a voice. I am attaching Marshas speech and my speech last night, on my speech I did not get to finish the last paragraph, and don't know if that's a problem that I submitted my whole speech in writing last night, and actually it was one paragraph short what I said.

I am hoping these get posted on the PUC site for the Crocker Hills deal.

thanks
