Regarding EL 17-055 – In the Matter of the Application by Crocker Wind Farm, LLC for a Permit of a Wind Energy Facility and and a 345 kV Transmission Line in Clark County, South Dakota for Crocker Wind Farm

To Whom it May Concern:

I am submitting three documents that are useful in understanding the case still awaiting decision or settlement by the Third Judicial Court in Clark County (12 CIV 17-0017):

- Respondent's Response to Petitioner's Statement of Undisputed Material Facts (filed 8/3/17)
- The transcript from the Hearing on Motion for Summary Judgment on 8/14/17
- Order Denying Petitioner's Motion for Partial Summary Judgment (filed 8/15/17)

It is my desire that these documents become part of this second docket. No action has been taken toward resolution since August of last year, but I will promptly notify the Commission if there is any activity regarding this pending litigation.

Sincerely,  
Darci Adam
