Subject: RE: [EXT] Regarding EL17-055

Darci,

Thank you for your comments on this pending docket decision. I appreciate knowing your in-the-area experience and perspective regarding what may be in the future with this project. Because this is an open docket, your comments and my response will be posted in the public docket file.

On the issue of permit condition non-compliance, I would encourage you to contact PUC staff for their guidance on how to best bring that issue before the Commission for resolution.

Sincerely,

Chris
